Versatile and strong tables collection

The new challenge, to make people feel good at work, is to combine the design of the individual which varies over time, with that of the organization.
A collection of space-saving tables featuring an elegant iconic metal leg that provides a resistant and stable support to the different systems that characterize this family.

La nuova sfida, per far star bene le persone negli ambienti di lavoro, è quella di saper coniugare il disegno di vita dell'individuo, che varia nel tempo, con quello dell'organizzazione. Timmy è una collezione di tavoli multifunzionali e salvaspazio caratterizzati da un'elegante gamba in acciaio che offre un supporto robusto e stabile ai diversi sistemi che caratterizzano questa famiglia.
